Address: No. 36 Huiheng Road, Jimo District Qingdao, P.R. China Postcode: 266200  
Tel: 0086-532-80989755 Fax: 0086-532-80988755

## Factory Quality Certificate

Certificate No.: QR-08-2

Product Series No:

2024/WGS970-01 ~ 150/150

2024/WGS970-01 ~ 60/60

2024/WGS970-01 ~ 100/100

2024/WGS970-01 ~ 15/15

Model	WGS970	Qty.	6500m	Date	July 1, 2024	Section	Oil boom workshop
-------	--------	------	-------	------	--------------	---------	-------------------

Testing Standard "ASTM F1523 - 94 (Reapproved 2013) 《Standard Guide for Selection of Booms in Accordance With Water Body Classifications》 ”

No.	Item	Technical Specification	Test Result
1	PVC Fabric weight	>900g/m <sup>2</sup>	903g/m <sup>2</sup> ; Pass
2	Minimum gross buoyancy to weight ratio	>6:1	G=105kg×9.8=1029, F=8296.72N, F:G=8.06; Pass
3	Tension wire	6mm AISI 304 stainless steel	6mm AISI 304 stainless steel; Pass

### Testing Result:

After testing, all the testing results of WGS970 oil booms are qualified to "ASTM F1523 - 94 (Reapproved 2013) 《Standard Guide for Selection of Booms in Accordance With Water Body Classifications》 ", WGS970 oil booms are produced according to drawing; permit to delivery.
